Legal House is a UAE based Company Formation and Business Consultancy firm that offers Company Formation services in UAE and all over World. We work with businesses on an “as-needed” basis and offer one-time support or consultancy services. Our business setup consultants in Dubai are experienced and well aware-of the local laws and regulations. They will help you make your business setup in Dubai successful by providing you with advice and helping you apply for any necessary licenses and certificates from the government.

About Us

We at the **Legal House** have done a lot of research on the groundwork and expectations of clients who believe are quite versatile. **Legal House** is the outcome of years of experience by the team who have come together with vast and varied knowledge across the cross-spectrum of various industries. At the **Legal House**, the emphasis is on the needs of the client, while at the same time acting as the client's friend, philosopher, and mentor during the formative and growth phase of the client and their businesses. The core values on which the legal house is working on are dependability, reliability, consistency, and commitment.
